I'd like to first thank God for placing me exactly where He wants me to be. Thank you to my family & friends, too many to name but you know who you are. To Melly B, rest easy, we shining ni**a! I'd like to

thank the Lee family, my management team, Noonie & D (Noontime/NNTME), the Def Jam staff- Karen, B (that's my ni**a Barry Weiss for y'all that don't know), Caiaffa, Rodney and the rest of the team, and my squad- Sean & Ralph (The Exclusives), Knuck, Cassius, and Keyz. To all the artists, writers, producers and engineers that

helped make this album a reality, thank you. To the DJs, radio stations, and media outlets who supported me, and to those who did not, real recognize real... thank you. Thanks to Slim, Big T, Neil, KB, Bang Gang, Luv, Tamme Pha, Law, Kisha, Cutie Babies and Amy. To New Orleans, from Kenner City to Downtown, thank you for the struggle and the hustle, ain't no ni**a like a New Orleans ni**a. To all my people in N.O., don't stand still, experience the world.

Last but not least, thanks to my fans/supporters. My soul lies within this sh*t! My story, my background, my culture, my heart & lifestyle lies within this sh*t. My strong points and weaknesses, my highs & my downfalls, I give you my all... I'm telling my deepest secrets, I hope you promise to keep it. This one is for the REAL ones! The ones that's stuck in the struggle...

#StrugLife!
